Investigators interviewed PII on 12 and 13 November 2015, pursuant to his pending US Citizenship application and to ascertain the circumstances of his contact with persons who provided significant logistic support to 9/11 Hijackers NAWAF AL-HAZMI (HAZMI) and KHALID AL-MIDHAR (MIDHAR).

*

PII had multiple personal and phone contacts with individuals who provided, or are suspected of providing, significant logistic support to HAZMI and MIDHAR [REF: # dated ++].  Re: # 04/04/2016

attempts were made to ascertain whether the meeting between BAYOUMI, BIN DON, MIDHAR and HAZMI was arranged in advance, or occurred 'by chance' as BAYOUMI described.

* * PII was forthcoming with numerous specific details regarding his education in PII knowledge of multiple foreign languages, employment with the Consulate of the Kingdom of Saudi Arabia in Los Angeles (CKSA-LA), anecdotes of personal interactions with Consular leadership PII PII displayed excellent recall of specific minor details of meeting BAYOUMI and BIN DON, but claimed an inability to remember what he and BAYOUMI discussed. In addition, PII repeatedly stated he never discussed the events of 9/11 at either the KFM or the Consulate. PII was unable to provide a reason as to why PII

* Subsequent to his November 2015 interview, PII contacted the Saudi government to report the substance of his conversations with US investigators [REF # , dated ++].

* PII claims that no one he knew ever discussed 9/11 at KFM after the attacks are directly contradicted by source reporting. One source stated that after 9/11, PII USG offered the greeting, "Isn't it great that our brothers are fighting?" USG

A separate source, whose reporting proved reliable in the past, advised PII was very vocal against Christians, Jews and enemies of Islam [REF: # dated ++]. Other reporting stated the Saudi Consul General in LA wanted to fire PII for storage and distribution of extremist Muslim literature at the consulate but THUMAIRY and MUHANNA used their influence with the Saudi Government to keep PII in place in 2004 [REF: # dated ++].

* Communications analysis of telephone numbers associated with PII show contact with multiple individuals who assisted HAZMI and MIDHAR [REF: # dated ++], including a phone call to BAYOUMI on 1/5/2000. However, during his interview, PII

*

 Re: # 04/04/2016

stated he did not know who BAYOUMI was when he met him at the Consulate on or about 02/01/2000, and even had to ask the secretary for BAYOUMI's name.

* PII described BAYOUMI as a Saudi citizen treated with great respect inside the Saudi Consulate, well regarded by Consulate personnel who held a "very high status" when he entered the building. PII stated BAYOUMI's status was higher than many of the Saudi persons in charge of the Consulate [REF: # dated ++].

* PII did not recall talking to BAYOUMI about the MEDITERRANEAN GOURMET RESTAURANT but conceded he may have, and added if he were asked about a place to eat he would have recommended the 'MEDITERRANEAN GRILL' on Venice Boulevard, which was PII a personal friend of his named PII. Subsequent investigation reveals PII PII at the time was an individual named PII FBI PII also stated that none of the Saudi's at the Consulate would eat at that restaurant, implying it was considered beneath their status.

* An investigation was predicated against PII PII based upon PII close association with PII FBI PII worked as a facilitator for the ARMED ISLAMIC GROUP (GIA) and was associated with members of the SALAFIST GROUP FOR PREACHING AND COMBAT (GSPC) in the US. PII is referenced in multiple FBI investigations [Author's Note: GIA and GSPC have evolved into Al-Qaeda in the Islamic Maghreb (AQIM)]. Another individual, PII FBI a close associate of THUMAIRY who is described in source reporting as a hardcore, militant individual who supported the events of 9/11, was also associated with the restaurant, but later identified as not the official owner at the time of the meeting between BAYOUMI and HAZMI and MIDHAR.

* * When interviewed in 2009, PII PII Shown

photographs of HAZMI and MIHDHAR, PII stated the photograph of HAZMI looked familiar and PII possibly saw him at the MEDITERRANEAN GOURMET RESTAURANT eight or nine years ago. PII did not recognize MIHDHAR. PII stated this (2009) was the first time he had been interviewed by FBI agents [REF: # dated ++].

* PII described working at the Consulate as a PII providing assistance to Saudi college students studying in the US, [Author's Note: HAZMI and MIDHAR stated to witnesses they were traveling to the US as students] providing translation assistance, executing administrative tasks and distributing literature on Islam [REF: # dated ++].

* One of the more difficult to reconcile connections is between PII and the Hijackers' support network on the East Coast. On 06/14/2001, PII number PII received a phone call from landline phone number 703-PII-4290 (*4290) registered to an apartment in Falls Church, Virginia at 6095 Belleview Drive, Apartment 101, Falls Church, VA. This apartment was used by EYAD ALRABABAH and his roommate PII FBI who both provided significant logistic support to MIDHAR, HANI HANJOUR and two additional hijackers during their time in Falls Church, VA. ALRABABAH told the FBI he met HANJOUR and HAMZI at a 7-11 store during a 'chance meeting', in a uniquely similar fashion to the way BAYOMUI described his 'chance meeting' with HAZMI and MIDHAR in Los Angeles. RABABAH stated he struck up a conversation with HAZMI and MIDHAR, who informed RABABAH they needed a place to stay. RABABAH stated he found them a place to stay in Virginia. At some point in this process RABABAH states PII HANJOUR and HAMZI went to RABABAH'S apartment at 6095 Belleview Avenue, where they had tea and met PII [REF: # # dated ++]. In May 2001, ALRABABAH drove four of the hijackers north to Connecticut and New Jersey, while PII remained in the Virginia apartment. Based on the other call activity on 6/14/2001, including calls to Syria and RABABAH'S work phone, it is assessed that PII who is of Syrian origin, was in the Virginia

apartment making calls on that day, including the call to PII
 FGJ - Information derived from a Federal Grand Jury

* PII COMMUNICATION WITH PERSONS CONNECTED TO HAZMI AND MIDHAR

* PII was a close associate of THUMAIRY, the Imam of the KING FAHAD MOSQUE (KFM). PII led prayers and assisted with administrative tasks at KFM. THUMAIRY also served as an administrative officer at the Saudi Consulate and had an office there [REF: # dated ++]. In the interviews in 2015, PII stated he and THUMAIRY are still in communication.

* There is significant phone connectivity between PII and PII prior to and directly following key events of logistic assistance provided by PII to HAZMI and MIDHAR. This pattern of phone connectivity between PII and PII is not identifiable prior to the hijacker's arrival in Los Angeles and does not occur between PII and PII after the hijackers depart California.

* * FBI PII was tasked by THUMAIRY to assist HAZMI and MIDHAR while they were in Los Angeles. FBI PII described the hijackers as "two very significant people." FBI PII stated he needed to bring HAZMI and MIDHAR to the MEDITERRANEAN GOURMET RESTAURANT located on Venice Boulevard in Los Angeles. When FBI PII why he was taking HAZMI and MIDHAR to that restaurant because the food was not very good and the service was poor, PII stated he just needed to take them there. FBI that people (NFI) would go to that restaurant to have private meetings [REF: # dated ++].

* PII MEETING WITH BAYOUMI, PRIOR TO MEETING HAZMI AND MIDHAR

* After meeting PII at the Consulate in late January 2000, BAYOUMI, accompanied by BIN DON, drove to the MEDITERRANEAN GOURMET RESTAURANT

*

 Re: # 04/04/2016

where they encountered HAZMI and MIDHAR. This is the same restaurant
 PII FBI he needed to deliver HAZMI and MIDHAR to.

* In interviews PII admitted showing HAZMI and MIDHAR the location of the MEDITERRANEAN GOURMET RESTAURANT, but denied being tasked to do so or being asked by anyone to take care of HAZMI and MIDHAR. PII stated he assisted HAZMI and MIDHAR because he is a good Muslim and helping two new students in town is the Muslim way. PII stated he assisted HAZMI and MIDHAR multiple times on multiple occasions, and confirmed that on one occasion, HAZMI stayed as a guest at an apartment belonging to PII FBI
 FBI PII statements, reporting that PII stated both HAZMI and MIDHAR were living at PII apartment on PII and PII FBI he had asked his sister to move out and stay with PII other sister for a couple of weeks, because he was having guests, HAZMI and MIDHAR, stay with him [REF: #
 # dated ++. When questioned by investigators regarding this, PII denied it. PII was asked directly if he had ever assisted anyone in the same manner and to the same extent that he assisted HAZMI and MIDHAR, before or since, and he replied that he had not.

* In interviews, PII stated that he twice dropped HAZMI and MIDHAR off at bus-stops, without any further assistance such as purchasing tickets or providing directions. The hijackers did not speak or read English and would most likely have needed substantive assistance to travel by a city bus immediately after arriving in the US. On the first occasion, PII stated he dropped HAZMI and MIDHAR at a bus stop so they could travel from Culver City to Downtown LA. A second time, PII stated he dropped them at a Greyhound Bus stop so the hijackers could take a bus from Downtown LA to San Diego. FBI
 in this time period, HAZMI and MIDHAR were unable to communicate in English and were so unfamiliar with the US that they could not identify street signs while traveling in a private vehicle with a companion guide.

(NOV 2015)
Re: # 04/04/2016

* * BAYOUMI's logistic support to HAZMI and MIDHAR included translation, travel assistance, lodging and financing. Anomalous money transfers within BAYOUMI'S bank accounts coincide with transactions wherein BAYOUMI provides assistance to HAZMI and MIDHAR [REF: # dated ++].

* * BAYOUMI provided statements in 2003 to federal investigators as to how he met HAZMI and MIDHAR on or about 02/01/2000 and how he assisted them [REF: # dated ++]. BAYOUMI'S statements are directly contradicted by eyewitness statements [REF: # dated ++].

* In his 2003 interview, BAYOUMI stated he came to the US to study and work for a Saudi aviation company Dallah AVCO. Regarding BAYOUMI's employment, witnesses at AVCO describe BAYOUMI as a "ghost employee," one of approximately fifty (50) such individuals being paid at the company who did not show up for work. One witness reported BAYOUMI accrued such outrageous expenses at one point that AVCO refused to pay him [REF: # dated ++].

* * In his 2003 interview, BAYOUMI stated he never spoke to HAZMI or MIDHAR about Jihad [REF: # dated ++]. Approximately one month after 9/11, PII ex-wife, PII was interviewed and stated she met BAYOUMI multiple times and BAYOUMI was always talking about how the Islamic community needs to take action. He told her and her husband PII on several occasions that they were 'at Jihad' (NFI) [REF: # dated ++].

* Approximately one hour prior to meeting HAZMI and MIDHAR, BAYOUMI and CAISIN BIN DON (BIN DON), visited the Saudi Consulate in Los Angeles and met with PII. In interviews with the FBI, PII BAYOUMI and BIN DON all confirm this meeting.

* * After meeting PII at the Consulate, BAYOUMI and BIN DON traveled by car to the MEDITERRANEAN GOURMET RESTAURANT. In his interview, BAYOUMI then describes a 'chance' encounter with HAZMI and MIDHAR, the

facts of which are contradicted in eye-witness descriptions provided by BIN DON. BAYOUMI stated he was walking out of the restaurant when he overheard two males speaking Arabic, recognized their accents as "gulf accents," and then approached them to discuss where they were from. BIN DON contradicts BAYOUMI'S statements, saying BAYOUMI entered the restaurant and positioned himself to be looking out the front window. BIN DON continues that when BAYOUMI observed HAZMI and MIDHAR walk into the restaurant, he approached them from such a distance where he could not have heard them speaking first. According to BIN DON, BAYOUMI approached HAZMI and MIHDHAR and invited them to his table. The group spoke for approximately thirty minutes in Arabic, which BIN DON reports being unable to understand since he did not speak Arabic. They exchanged telephone numbers and departed [REF: #
 # dated ++ and # dated ++].

*

* Approximately one month before the arrival of the Hijackers in Los Angeles, On 12/20/99, BAYOUMI, accompanied by an individual identified as ABDULLAH ALJRAITHEN, registered at the Travelodge Hotel in Culver City, California, near the KFM. BAYOUMI and ALJRAITHEN checked out the following day. After 9/11, BAYOUMI was detained in the UK by New Scotland Yard (NSY) and his documents were seized. A review of BAYOUMI'S telephone book showed an entry for Dr. ABDULLAH AL JOAITHEN, with the numbers 325 0877 and C (cell) 55154240 [REF: #
 # dated ++].

*

* Communications analysis on "3250877" and "55154240" yielded positive results [REF: # dated ++], which reports from a foreign government service detail names and telephone numbers appearing on a laminated card retrieved from the a residence in Medina, Saudi Arabia, where SHAYKH 'ALI KHUDAYR FAHD AL KHUDAYR and SHAYKH AHMAD HAMUD MUFARRIJ AL KHALIDI were arrested during a raid in late May 2003. The relevant entry on this contact list was for ABDALLAH BIN 'ALI AL-J'AYTHAN 3250877 and cell 55154240.

*

* SHAYKH 'ALI KHUDAYR FAHD AL KHUDAYR is identified as

the spiritual adviser to senior Usama Bin Laden lieutenant and Guantanamo Bay detainee ZAIN AL-ABIDIN MUHAMMAD HUSAYN (aka Abu Zubaidah) [REF: # dated ++]. Significant additional derogatory information is available regarding both individuals.

* Additional analysis of '3250877' yielded information from another government service reporting "DR. 'ABDALLAH AL-JUHAYN 3250877" was found on a confiscated hard-drive from an October 6, 2001 raid on the Al-HARRAMAYAN [a Tier 1 Terrorist Support Entity] offices in USG [REF: # dated ++].

* Communications analysis shows that while HAZMI and MIDHAR were in Los Angeles and San Diego, BAYOUMI was in almost daily contact with OSAMA BASSNAN FBI. On October 17, 1992, BASSNAN hosted a party at his house in Washington, D.C for the "Blind Sheikh" OMAR ABDEL RAHMAN, convicted mastermind of 1993 World Trade Towers bombing (WTC Attack #1). Sources reported BASSNAN knew BIN LADEN'S family in Saudi Arabia and he maintained communications with BIN LADEN family members in the US [REF: # dated ++]. Multiple sources report BASSNAN expressed enthusiastic support for BIN LADEN, describing BIN LADEN as a great authority figure who would change the world for the benefit of Islam. BASSNAN endorsed human suicide bombings as an effective and appropriate means to accomplish those goals. BASSNAN often expressed excitement and happiness when hearing of human suicide bombings [REF: # dated ++]. BAYOUMI's and BASSNAN'S wives were arrested together for shoplifting jewelry from the JC Penny Department store on Friars Road in San Diego, California on 04/23/2001 [REF: # dated ++].

 Re: # 04/04/2016

locate THUMAIRY [REF: # dated ++].
 Note that HAZMI and MIDHAR traveled to Los Angeles from Kuala Lumpur, Malaysia after meeting with other AL QAEDA (AQ) personnel.

* Communications analysis identified a call from THUMAIRY'S phone (1-310- PII 0638) on 08/20/99 to the Saudi Arabian family home phone of two future Guantanamo Bay, Cuba detainees, ABD AL AZIZ SAD MUHAAMAD AWWASHAN AL-KHALIDI and his brother SULEYMAN SAAED MOHAMMED AL-KHALIDI (966-1-4315661). The phone call lasted seven minutes [REF: # dated ++]. These two Guantanamo Bay detainee's older brother, ISSA AL KHALIDI, was killed in a shoot-out with Saudi security forces in 2004. The severed head of USPER Paul Johnson was recovered during the subsequent search of ISSA AL KHALIDI'S residence [REF: # dated ++].

* Communications analysis reveals THUMAIRY'S phone (x0638) was in communication with 1-714- PII and 1-714- PII multiple times between May 2000 and July 2000. These phones PII were subscribed to by PII FBI PII respectively.

* The owners of PII PII were subjects of FBI investigations for providing material support to AL-GAMA'A ISLAMIYYA (IG), the LIBYAN ISLAMIC FIGHTING GROUP (LIFG), AL QAEDA [REF: # dated ++] and are associated with MUSTAFA MOHAMMED KRER [REF: # dated ++] and PII

* KRER, an employee of PII was a Canada-based leader of LIFG [REF: # dated ++] and identified as a suspected accomplice of Al Qaeda's Los Angeles International Airport (LAX) 'Millennium Plot Bomber,' AHMED RESSAM # according to evidence gathered during a search of RESSAM'S apartment in Montreal, Canada pursuant to RESSAM'S arrest on 12/14/99 [REF: # dated ++].

*

 Re: # 04/04/2016

RESSAM, arrested while transporting explosives from Canada to the US, pled guilty to plotting to bomb LAX [Authors note: RESSAM'S arrest is approximately one month before HAZMI and MIDHAR'S arrival in LA]. When shown a photo of KRER in 2002, RESSAM denied recognizing KRER. RESSAM has since ceased cooperation with the USG.

* THUMAIRY'S phone connectivity to PII associated with RESSAM's AQ plot, is concerning. THUMAIRY is described by sources as having extremist beliefs. Sources report he was removed from the KFM for un-Islamic activity (NFI). THUMAIRY remains in contact with PII years after his departure from the US. THUMAIRY'S phone connectivity with fundraisers for the LIFG [REF: # dated ++] and his contact with possible LA-based associates of RESSAM bears further examination. In particular, THUMAIRY'S nexus to this earlier LA-based network linked to RESSAM, LIFG and other AQ-associated elements is relevant in assessing his later assistance in arranging the meeting between the 9/11 hijackers and BAYOUMI.

* PII

* PII FBI
 FBI another employee of PII resided at the home of PII is associated with the ERITREAN ISLAMIC JIHAD MOVEMENT, an AL-QAEDA associated organization.

A cover letter was written back to IARA thanking them for their support of the Mujahideen of Eritrea. The letter was signed by PII aka PII The address on the letterhead for the ERITREAN ISLAMIC JIHAD MOVEMENT (EIJM) was listed as P.O. Box 761123, Los Angeles, CA 90076. EIJM has been seeking the forceful overthrow of Eritrea's government and its replacement by an Islamic government. Open source reporting indicates that the ERITREAN ISLAMIC JIHAD MOVEMENT (EIJM) is AL-QAEDA-trained and financed.

* The FBI case against PII is currently closed, as PII departed the US for Jordan and USG informed LEGAT USG that PII was deported from Jordan to Saudi Arabia on November 27, 2014.

* Communications analysis shows PII in contact with ABDO GHANEM, FBI an associate of PII PII THUMAIRY and MUHANNA. GHANEM, a Los Angeles based IG supporter with close connectivity to SHEIK OMAR ABDEL RAHMAN, aka 'The Blind Sheikh,' is currently incarcerated related to the TERRSTOP investigation. GHANEM was a driver for the RAHMAN during the Blind Sheikh's visit Los Angeles.

* ISLAMIC AMERICAN RELIEF AGENCY

* The ISLAMIC AMERICAN RELIEF AGENCY (IARA) is linked to Usama Bin Laden (UBL) via former IARA employee, ZIYAD KHALEEL, a UBL logistics facilitator who procured equipment for UBL and managed wire transfers from IARA to a bank accounts controlled by UBL. KHALEEL's roommate for four months in 2000 was MUTAIB A A AL-SUDAIRY FBI whose phone number was recovered in BAYOUMI's address book by New Scotland Yard in 2001. * BAYOUMI called SUDAIRY five (5) times while the hijackers were in San Diego with BAYOUMI. These calls coincide with significant logistic support of the hijackers. The first three calls are on 01/24/00, 01/26/00, 01/30/00. These particular calls occur in the immediate days before BAYOUMI meets the hijackers in Culver City, CA and talked to them about coming to San Diego [REF: # dated ++]. The next call occurred on 02/2000, the day immediately after BAYOUMI met HAZMI and MIDHAR at The MEDITERRANEAN GOURMET RESTAURANT. The final phone call between SUDAIRY and BAYOUMI occurs 02/07/00 immediately after HAZMI and MIDHAR's apartment lease and living arrangements have been finalized and funds fronted by BAYOUMI. This is the last call identified between SUDAIRY and BAYOUMI. Within two months, SUDAIRY is recorded at an address in Falls Church, Virginia, the same area where HAZMI, MIDHAR, AULAQI and HANI HANJOUR established residence later in the evolution in the 9/11 plot.
